Happy Thanksgiving!

In this season of gratitude we reflect on the Alpha Sigma Nu tenet of service. Let us be joyful in the spirit of God and to show love in our deeds.

We joyfully recognize the University of Detroit Mercy's chapter, the Society's fourth oldest chapter, celebrating its 100th anniversary in 2024. We also share a special acknowledgment of a legacy gift from the estate of [Mary A. Bruemmer](#) (Saint Louis '58, recipient of the Alpha Sigma Nu Peg Fennig Award, '06), who passed away in 2021 after decades of service to Jesuit higher education at Saint Louis University.

Finally, we are excited to be providing more scholarship funds than ever this academic year to student members with financial need after a successful Alpha Sigma Nu Giving Day in October. All of this is made possible by the members who have generously committed to Alpha Sigma Nu this year and we sincerely thank you for the many ways you lead in a life of service.

Newly Refreshed website!

It's easier than ever to access member resources. Connect with fellow members through our membership directory, stay updated on news, and shop the online store.

Save the date! December 3rd is Giving Tuesday

After Black Friday and Cyber Monday give back and donate to support Alpha Sigma Nu on Giving Tuesday.

Check out other ways to contribute on our [website](#). One easy way to make an impact is to choose the recurring gift option, like Michelle Perez (Saint Peter's University '14). You can automate your gift annually, quarterly, or monthly and spread your giving throughout the year. A monthly gift of just \$10.00 will support chapter programming and alumni efforts, such as our mentoring program.

We appreciate your support this holiday season!

"A recurring gift to Alpha Sigma Nu is my way of extending my commitment for all Alpha Sigma Nu has given me; it is a meaningful way that prevents me from forgetting! Every quarter it pops up and it reminds me that there was a time when engaged almost weekly with the work of the Jesuit Honor Society. I am a couple of years out from undergrad study and now in the working world. It is hard to remain as engaged but my love for the Alpha Sigma Nu has never dwindled. My hope is with time, I will be able to give more. I appreciate the work so much and hope to contribute for many years!"
